

Comes with Baggage.

a history of bicycle travel, from boneshakers to bikepacking

Since 1975 Blackburn has been making products that help cyclist to do more, go further, and be ready for anything. For our 40th anniversary, we wanted to step back and look at the history of bicycle travel in the Americas. Our lighthearted film includes stories, footage and interviews with bike pioneers, makers and historians. Watch the trailer . . .
